# New to SignUp Genius? Getting started is easy as 1-2-3!

SignUp Genius works best when you set up your own account. You can schedule or cancel your “SignUps”, manage your account, and receive e-mails and reminders. Everyone who uses it really likes it!

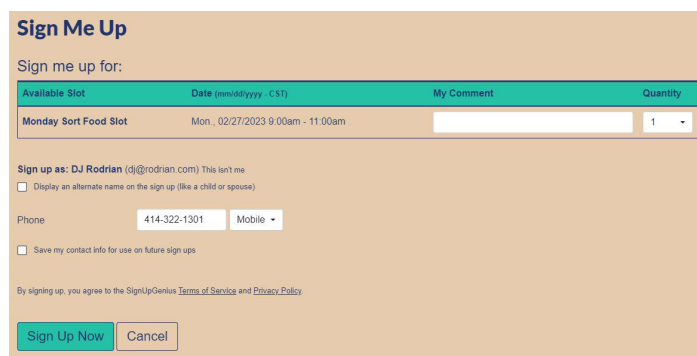

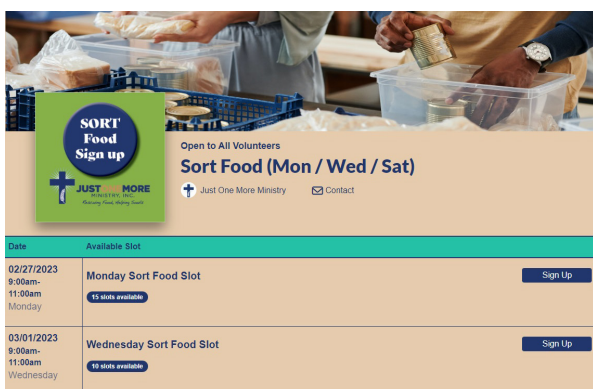

**STEP ONE:** Set up a SignUp Genius account at [www.signupgenius.com](http://www.signupgenius.com) – click Log In and look for “New account”. You only need to provide your first name, last name, e-mail, and password – then click “Register Now”. (Don’t forget your password, you’ll probably need it later.)

**STEP TWO:** You’re signed in! Once you are logged in, now you are ready to click the links for JOMM’s SignUp’s. This is a handy link to all JOMM SignUps or you can find them at [www.jomministry.org/volunteer](http://www.jomministry.org/volunteer).

**STEP THREE:** Time to “SignUp”! Each signup landing page has all of the days and slots available – you can even see who’s already signed up. Sign up for one or more shifts – you will get an e-mail confirmation and a reminder. And remember, you can always log in to cancel, change your shifts, and review your full calendar.
